NEVADA STATE BARBER'S HEALTH and SANITATION BOARD

© 35

March 17, 2020

Dear Nevada Barber's, Shop Owners, and School Owners,

Due to the recent outbreak of the COVID-19 (Coronavirus), the Nevada State Barbers' Health and Sanitation Board is still operating with limited walk in services. We ask that during licensing time you mail your license renewal in and we will continue to process the license in our office. If you are dropping anything off to the Board office, we ask that you have everything filled out and drop and go. Our plan is to stay working to serve the State of Nevada. Anything that can be done by mail, please use the mail system.

BARBER SHOPS

1. It is at your discretions whether to close your barber shops. You must follow strict sanitation as always. There are laws set in place for this.
2. Follow the recommendations of the Nevada Health Department and the CDC.
3. Follow strict handwashing laws and sanitation laws found in your law books.

SCHOOLS –

1. It is at your discretion whether to close your school. You must follow strict sanitation as always. There are laws set in place for this.
2. At the next quarterly meeting the Board will discuss alternatives pertaining to students.

TESTING –

1. At this time, we are planning on holding our next examination which is scheduled for April 19, 2020. If anything changes the applicants will be notified.

Things seem to be changing on a day to day basics. So please, understand that we are only trying to do our part in protecting the public. Bare with us and we will all get through this together.

Stay safe and do your part.

Sincerely,

A handwritten signature in cursive script that reads "Antinette Maestas". The signature is written in black ink and is positioned below the word "Sincerely,".

Antinette Maestas, Secretary/Treasurer

Nevada State Barbers' Health and Sanitation Board
